Blue Boa Hyssop Hummingbird Mint

FEATURES AND ADVANTAGES

Maximum Flower Power

Customers will enjoy longer flowering periods with repeat blooming, adding lush color to their garden throughout the year.

Bold, New Colors

From sunset peach to scarlet cherry to deep indigo blue, customers will be drawn to beautiful, bold colors in standby favorites mixed with new varieties.

Plant, Water, Wow!

All Boldscape® plants are grown and sold in 5 gallon containers. Your customers will love how easy it is to establish the plants in their garden or landscape and get instant color!
