SWEET SELECT®

FEATURES AND ADVANTAGES

Premium Small Fruit Program

Delight customers of any age with premium small fruit, grown to thrive in their region.

Plants for Any Size Garden

Sold in 1 gallon containers for maximum versatility: plant in decorative containers in a sunny spot on the patio or in ground in the garden.

Simply Snackable

Now more than ever, customers are looking to close the gap between their home and where their food is grown. Sweet Select™ plants offer fresh, nutritious fruit right at their fingertips, just steps from their kitchens. Help your customers garden, bake, indulge, and make memories to last a lifetime with these premium small fruit plants.

Sweet

SELECT®

Juicy. Fresh. Nutritious.
