

PLUSH PETAL™ HYDRANGEAS

Mystic Plush™

GROWTH

Hardy in USDA Zones 5-9. Grows to 3 feet tall x 3.5 feet wide.

FEATURES AND ADVANTAGES

New for 2024

A new series of hydrangeas, exclusively grown and sold in the United States by Everde Growers.

Exceptional performance

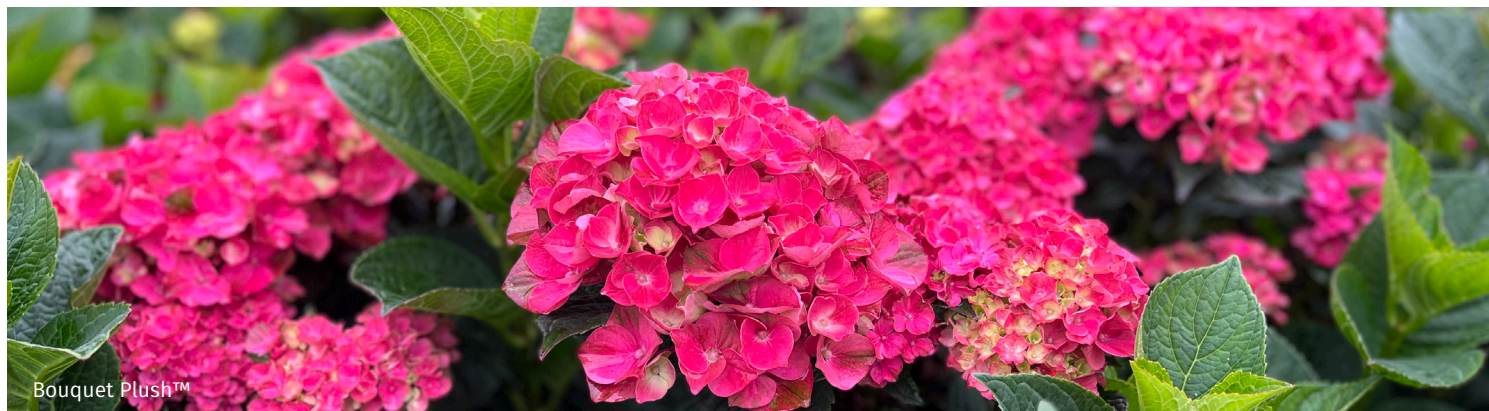

Tested and selected by our professional growing staff, these hydrangeas have been evaluated for several years before being hand selected as the top of their class in pflower performance and habit.

Reblooms on new wood

These hydrangeas will rebloom on new wood, critical for Zone 5 and colder climates

CONSUMER VALUE

Enjoy outstanding flower power and the best improved hydrangea features on the market. Your customers will delight in these easy-to-grow and eye-catching varieties.
